“The setting is gorgeous - totally unique to this part of the country. All you can see from the windows that make up the far wall of the bistro is a vast, stretching view of the lake. The bistro itself is sophisticated and modern on the inside. The service and flexibility we were offered was next to none and the events organiser we worked with allowed us to rearrange/ decorate the space however we wanted, giving us the time we needed. You can also give your guests a boat ride on the lake for a really reasonable rate which we found perfect. Overall, a really happy customer.

Would really recommend! “
