Fishing improved at the end of the week, the cooler conditions and a Bulldog fishery stocking of 1800 fine Rainbows all helped. Rosemary Lane was the top spot for both boats and bank. Seven Pound creek fished well from the bank.

Another great spot this last week has been The Nose with some of our regular fly anglers reporting some fantastic results via our online catch report form, nymphs seem to be producing the best results.

For Any Method It was Power Bait that proved best, with the cooler weather and improving visibility, spinning should improve.
