## **BEWL WATER FISHERY WEEKLY REPORT week ending:**

04-Jan-19

A Happy New Year to all our past and present customers. The continuing rather benign weather and good catches has led to a very busy time for the boats, last weekend we even had to turn away some of those that hadn't booked boats. So please ensure your boat is booked early, especially at weekends. The boat season closes on 31st January.

The trout have been taken from the Main Bowl and through to Hook Straight, with the fish higher up in the water. No particular fly pattern has predominated, white and green favourite.

For Any Method both Lure and paste have caught. Green paste and Trout Pellet paste the favourites. One of the best fish of the season a 6lb Rainbow fell to Mr Tomas on Green Paste

We are now taking bookings for opening day 2019 season 21st March. These must be prepaid. For fishing bookings please call 01892 890000.

The lake is filling well and water level is now 90%
