A superb weeks fishing in crisp April conditions saw 77 returns with 390 fish taken. Top rod of the week was John Pearn who amassed a staggering 36 fish at Rosemary Lane to 3lb 4oz on Damsel/Orange lure in a relatively short session. He was often being broke off with two fish attached at once – a report we have had from various fly anglers over the opening few weeks!

Best reported Rainbow was weighed at 4lb 6oz Caught by season ticket holder Peter Lower amongst a bag of over 25lbs caught from Rosemary Lane.

The water temperature is still only 9c and the coming days will see no significant rise as we see high atmospheric pressure with clear skies. Buzzers have proved a popular fly with daily hatches noted by the number of Swallows/Sand Martins seen from the fishing lodge. Early bank anglers may be advised to start early here before moving as the sun breaks through.

A further 1800 Rainbows were released on Thursday evenly spread around the lake as the fishery continues to offer sport in all areas.

The annual Bewl Bridge Fly Fishers bank competition heralded great results with 34 rods took 152 fish leading to a rod average of 4.5.

Each bank fished very differently with some anglers finishing before lunch and some taking until lunch to land a fish.

Rosemary Lane rod average: 3

Bramble Bay rod average: 5.4
