

I	BEWL W	ATER FI	SHERY V	VEEKLY	REPORT week ending: 18-Jan-19
Another week of milder weather has seen some good catches, a lot of action around the playground area, Duncan Collins bagging 15 Rainbows on a catch and Release Flyfishing permit from the playground bank. Any Method boats also catching from outside the buoys in front of the Lodge.					
As the boat season draws to its close on 31st January, weekend boats have again been busy with a waiting list operating last Sunday, luckily all managed to get boats eventually. Bookings can now be made for Opening Day boats for the new season which commences on 21st March.					
As the boat season approaches the end it would seem the weather is starting to turn to more seasonal temperatures. With forecasts of ice and frost great care should be taken when boarding and exiting boats and suitable clothing should be worn.					
Dont forget to check in with our Facebook page @ Bewl Water Fishing. for the latest picture and news.					
Water temperature 5degC					Water level 93%
