

1 mile marker
to look out
for on the trail

ROUTE INFORMATION:

The route is 12.5 miles long, it takes approximately 6 hours to walk or 2.5 hours to cycle. Please ensure you have left enough time to complete the route.

Most of the route is off road but it does include some quiet country lanes. Please follow the highway code and always cycle on the left.

There are mile markers around the route letting you know how far you've come and how far to go!
