

CORPORATE EVENTS

TEAM BUILDING

Team building is an essential part of all businesses, effectively encouraging employees to build on their teams, and skills and playing a role in solving problems and challenges, create the foundations of any successful company.

Alongside building skills and enhancing problem-solving abilities, team building allows teams to bond, and communicate and encourages a healthier in-work balance when your team gets back to the office.

At Bewl Water, we recognise the importance of team building and how it can help grow your teams, therefore we want to help you structure the perfect day for your employees.

Bewl Water is home to the largest stretch of open water in the South East of England, which is surrounded by 800 acres of scenic landscape, nature trails, and woodland meaning there are plenty of activities available both on and off the water's edge making it the perfect destination for the ultimate team building experience.

ACTIVITIES

Laser Challenge

Laser Challenge is the perfect adrenaline-inducing activity as teams put on their camouflage suits and begin to talk tactics! Laser Challenge encourages quick thinking, working as a team to complete the end goal, and, of course, lots of competitive fun!

Aqua Park

The ultimate adrenaline junkie's playground! Covering 1500sqm of the lake, teams or individuals can work their way across the assault course in true Wipe Out style! The course consists of an XXL action tower, bridge, flip mattress, cliff, monkey bars, aqua slide, dome, roundabout, half pipe, hurdles, and much more. The perfect outdoor water adventure.

Dragon Boat Racing

Taking to the water, teams of up to 16 can row in Chinese-style rowing boats and compete in the ultimate Dragon Boat Racing activities. This activity encourages teams to work out their strengths and work collectively as a team to ensure they come out on top!
